

**CERTIFICATION FOR U.S. INSTITUTIONS
REGARDING RESEARCH USE OF
SEDIA™ BED HIV-1 INCIDENCE EIA**

The undersigned hereby declares and certifies that the institution named below will use the Sedia™ BED HIV-1 Incidence EIA exclusively as a research tool for the estimation of HIV-1 incidence as an aid to population research and epidemiology studies. The Sedia™ BED HIV-1 Incidence EIA shall not be used to diagnose individuals for the presence of or absence of HIV-1 antibodies. The institution named below further certifies by this document that neither it nor its employees shall divulge the results obtained with the Sedia™ BED HIV-1 Incidence EIA to research subjects, patients or their physicians, and that the Sedia™ BED HIV-1 Incidence EIA shall not be used on samples from citizens or residents of the U.S., nor as a diagnostic or patient monitoring tool that may impact patient therapy and management.
