

Position: Associate/Assistant Protein Scientist (R&D)

Position Summary

Sedia Biosciences Corporation of Portland Oregon is seeking an energetic, team-oriented laboratory Assistant/Associate Scientist with experience in protein chemistry for a unique opportunity in our R&D group. Specific job requirements may be adjusted to suit the candidate's skills.

The ideal candidate will assist in the development, expression, and scale up recombinant proteins from bacterial or other vectors, purify proteins and perform subsequent validation and quality assessments. The selected candidate will have demonstrated experience in most of the technical skillsets and be able to work in a small group of individuals, in a highly cross-functional environment.

FLSA Status: Associate Exempt, Assistant Non-Exempt

Reports to: R&D Scientist or designate.

Duties and Responsibilities

- Development, expression and scale up of recombinant proteins from bacterial or other vectors.
- Protein purification protocol/method development.
- Protein purity and quality assessments.
- Protein conjugations.
- Must operate in a Bio Safety Level-2 Laboratory handling blood-borne pathogens with provided training.

Minimum Requirements and Qualifications

- Bachelor's degree in biochemistry, chemistry, molecular biology, microbiology, or a related field.
- Candidates should have minimum 1-3 years (Assistant) or 3-5 years (Associate) of demonstrable laboratory experience with an emphasis on protein expression and purification, as well as methods for qualifying those processes (familiarity with SDS-PAGE and western blotting; ELISA; bacterial cell culture and protein handling techniques).
- Experience with protein refolding techniques a plus.
- Preference will be given to candidates with experience in the lateral flow immunoassay (LFIA) format, but all candidates with relevant experience are encouraged to apply.
- Excellent communication and record keeping skills, particularly in a quality-regulated production environment (e.g. GMP, ISO13485, or equivalent).
- Ability to problem solve and work autonomously or as part of a team.
- Proficiency in computer use (MS Word, Excel required, Outlook preferred).

Title and Compensation Package dependent on experience. Benefits include paid medical, dental and vision insurance and paid time off.

APPLICATION INSTRUCTIONS

Please read carefully. We consider attention to detail an important qualification for new hires. Improperly prepared or submitted applications may be delayed in routing to the appropriate hiring manager or may not be considered.

Only candidates who apply with a resume and cover letter by email or U.S. mail will be considered. First and Last Name, Mailing Address and Contact Information (email address, phone number or preferably both) must be provided. Be sure your cover letter clearly states the position(s) for which you are applying and any preferences about how to contact you.

Application by Email:

This method is preferred and will receive the fastest consideration. Submit your resume and cover letter as an attachment in either RTF, Word, or PDF format to jobs@sediabio.com. **No other formats including links to other internet addresses will be accepted and emails with such links will be deleted without opening.**

In the Subject Line of your email, enter: *"Your last name, your first name, middle initial (middle initial optional), and Job Title (that you are applying for)"*. For example, **"Smith, Mary R, Senior R&D Scientist"**. If you are applying for multiple positions, please submit separate emails for each position. If you do not use this format, your application may be delayed in getting to the hiring manager.

Application by U.S. Mail:

Submit your resume and cover letter to the address below. On the mailing address outside, send to the attention of HR indicating the position you are applying for. You may list multiple positions in the attention line. Only one cover letter/resume needs to be sent if you are applying for multiple positions.

Sedia Biosciences Corp.

Attention: HR (*List positions you are applying for, separated by commas, here*).
